DASHING THROUGH THE SNOW...? Yes, soon we will all be dashing through the snow, but maybe there is someplace we could stop dashing. That's right, I'm talking about Social Security Numbers. Our system, CUBS, can take them or leave them, it really doesn't care. So, if you would like to stop "dashing" your SSN's, you go right ahead. Also, if you want, you can put SSN's (no dashes) in the *Original Client Reference Number* Box on your New Account Worksheets, or Line 11 if you file electronically. Then the SSN's will show up on your reports. We will continue to put dashes in telephone numbers. (Well, "duh")

ANY TIME YOU WANT...! That's right, you can submit pay directs and adjustments any time you wish. This allows us to bring our system current and provide the debtor with up to the minute information, just like CNN! Fax your adjustment forms to Shirley and pay directs to Theresa for at:

303-866-6590

A VERY SPECIAL WELCOME TO...Craig Fair! He brings over nine years of collection experience to our unit. He will be "running" our legal desk. He will "track" your judgements and "field" your legal inquiries. You can call Craig at 303-866-6567, or 1-800-221-2297x6567 or e-mail him at craig.fair@state.co.us.
